2022 4th Quarter Sponsorship

**We are honored to share the story of PFS' Client Julie Utter-Beuter
from Center Point, IA.**

I became interested in Hope CDA when I learned of their desire to help men develop their character and their God-given talents so they can experience the dignity of work to support themselves and their families. They don't assist these men with handouts, but actually give them work skills and teach them the value of their own worth.

I discovered this great organization through my hair dresser, Paula, when I was looking for a worthy group to support financially. She and her husband, Mike, spend a significant amount of time volunteering for Hope CDA.

This organization was born out of the flood of 2008 in Cedar Rapids and has grown in mission and scope through great leadership.
