

Welcome to our Pulse Gives Back Sponsorship Page!

2025 4th Quarter Sponsorship

We're honored to feature Naomi's House as this quarter's Pulse Gives Back sponsorship, nominated by our clients Vickie and Jon Drendel of Naperville, IL.

Naomi's House exists to help every woman who has suffered from commercial sexual exploitation find healing, freedom, and a fresh start.

Vickie shares her story:

A few years ago, I sat with a friend who asked me two valuable questions: *What makes you smile? And what makes you cry?* After hearing my answers, she told me about an organization called Naomi's House.

Naomi's House walks alongside women who have endured abuse and trauma, helping them rebuild their lives after coming out of incredibly difficult circumstances. My friend connected me with this ministry, and since then I've had the privilege of serving there.

I volunteer as a driver, taking women to appointments that support their healing, and I also serve as a shift supervisor, helping with daily needs in the house. Spending time with these women is truly a gift. They are some of the most beautifully brave and resilient people I've ever known.

The staff and volunteers at Naomi's House serve in many different ways, but all share one goal: to love and support these women according to their unique needs. With a biblical approach to healing, recovery, and redemption, Naomi's House offers a safe place where hope is restored.

Thank you to Pulse Financial, and to each of you, for your generous support. You are making a real difference in the lives of these treasured women.

At Naomi's House, our measure of success is the number of victims and survivors we meet through Naomi's House—because every day a woman is supported by one of our services is one less day that she has to be trafficked and

abused. Please check out the website <https://www.naomishouse.org/> for ways you can help support financially or volunteer if interested!

How can you help?

Human trafficking isn't just an "over there" problem it's happening right here in the US. There are 24,300 women and girls who are victims of sex trafficking in Illinois annually. Organizations like Naomi's House are working every day to change the reality. Pulse Financial Services donates up to \$2,000 through *Pulse Gives Back*.
